### **SUPPLEMENTAL DETAILED ACTION**

Upon further review, it has been determined that the amendment received 10/08/2004 contained an inadvertent error on page 4 of the amendments to the claims. In particular, claim 8 was not provided with a dependent number. A review of original claim 8 indicates that claim 8 is to depend from claim 1. As the 10/08/04 amendment indicates that claim 8 is to remain in its original form, as evidenced by the claim identifier "Original" used in the text, it would appear that claim 8 should still depend from claim 1.

The following supplemental examiner's amendment corrects this deficiency. Though this change was not discussed with the applicant's attorney, the need for said change is self-evident.

### **SUPPLEMENTAL EXAMINER'S AMENDMENT**

A supplemental examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

#### **IN THE CLAIMS:**

Claim 8 – line 1, after "claim", the numeral --1- - has been INSERTED.
